Based in Lincoln, Nebraska, NMotion has provided the platform to accelerate early-stage, high-growth startups through curated connections to resources, mentors, and capital. NMotion has partnered with gener8tor to continue to build these programs and opportunities for startups looking to grow in the Midwest.

**gener8tor** is a turnkey platform for the creative economy that connects startups, entrepreneurs, artists, investors, universities and corporations. The gener8tor platform includes pre-accelerators, accelerators, corporate programming, conferences and fellowships focused on entrepreneurs, artists and musicians.
